POLICY

It is the policy of the Chief Procurement Office (CPO) to review, in an efficient and timely manner, information required to be disclosed under Section 50-13 of the Procurement Code (Code) to determine if a vendor or subcontractor has a prohibited conflict of interest.

SCOPE

This policy and procedure implements Section 50-13 of the Code relating to processing of contracts for which there is a prohibited conflict of interest. In specific circumstances, State elected officials, appointed officials or employees, and their spouse or minor child, are prohibited from acquiring or benefitting from a State contract paid for with funds appropriated in whole or in part by the General Assembly, or in any contract of the Capital Development Board, or the Illinois Toll Highway Authority. This prohibition applies to state employees or officers whose salary exceeds 60% of the Governor’s salary, and to officers or employees of the Capital Development board or the Illinois Toll Highway Authority regardless of their salary. Disclosure of this type of conflict is required for all bids or offers regardless of contract value. It is also required for all submissions to the Illinois Procurement Gateway (IPG).

Financial disclosures are incorporated as a material term of the contract and are part of the publicly available procurement file.

When a prohibited conflict of interest is identified, discovered, or reasonably suspected under Section 50-13 of the Code, the State Purchasing Officer (SPO) must send the proposed contract to the CPO. The CPO shall determine whether to request an exemption from the conflict of interest from the Executive Ethics Commission (EEC) in accordance with 30 ILCS 500/50-20. When requested by the CPO, the EEC must hold a public hearing.

This policy and procedure does not address potential conflicts of interest identified in Section 50-35 of the Procurement Code. A separate policy is issued to address the review of potential conflicts of interest as defined in Section 50-35.

PROCEDURE

This procedure details the steps in identifying, reviewing and resolving 50-13 conflicts of interest. This procedure documents the internal activities and identifies who has responsibility at each step of the process.

Financial disclosures and conflicts of interest may be submitted in either of two formats: Form A where the certifications and disclosures are submitted on paper, or Form B where the disclosures are submitted electronically through the IPG. Procedural steps are given for both Form A and Form B.

	Procedure Steps	Responsible Party
1.	Financial Disclosures and Conflicts of Interest Form Review: Form A Section 5 Step 4 or Form B IPG Form I	
1.1	Form A, Section 5, Step 4 and Form B, IPG Form I, questions 5-10 identify whether a potential vendor has a prohibited conflict of interest. The existence of a disclosed relationship precludes a contract with a university, unless an exemption is requested by the CPO and granted by the EEC.	University
1.2	Review disclosure for all vendors regardless of contract value	University
1.3	For contract renewals or annual recertifications of multi-year contracts, review the Certification of No Change, and if necessary, any disclosure for all vendors regardless of contract value	University
1.4	Review disclosures for any officer or employee whose salary is in excess of 60% of the Governor’s salary; who is an officer or employee of the Capital Development Board or the Illinois Toll Highway Authority; or who has a spouse or minor child who has such a financial interest in the vendor. Review whether any of those persons are entitled to receive more than 7.5% of the distributable income of the vendor, or an amount in excess of the Governor’s salary; or any such person who, together with their spouse or minor children, are entitled to receive more than 15%, in the aggregate, of the vendor’s total distributable income or an amount in excess of 2 times the Governor’s salary.	University
<p>If one of the boxes identified in 1.1 above is marked yes, University forwards Conflict of Interest Review and determination Form, Financial Disclosures and Conflicts of Interest (from either Form A or Form B), Bulletin Notice, copy of proposed contract (may be proposed contract or a copy of the solicitation response) to the SPO. The SPO will assist the University</p>		

in determining if an exception is applicable under Section 50-13(f) of the Code or if an exemption can be requested.

2.	Determine if an exception applies to the identified relationship.	
2.1	Not every disclosed relationship is a prohibited conflict of interest. Section 50-13(f) provides exceptions for public aid payments, certain teaching personal service contracts, personal service contracts for ministerial duties, payments made for some child and family services, or certain licensed professional contracts that are competitively bid or are for social service agencies. SPO will consult with CPO for assistance, if needed, before determining if an exception applies and there is no prohibited conflict of interest. SPO will notify the University of the determination.	SPO/CPO
2.2	Report affirmative determinations to CPO and cc: the PPB.	SPO
3.	CPO Review of Conflict of Interest	
3.1	CPO reviews the conflict of interest and request from the university for an exemption hearing. In deciding on whether to request a hearing from the EEC, the CPO must determine that exempting an individual in the service of the State outweighs the public policy evidenced in Section 50-13 of the Code that officials, employees and their immediate families should not have an interest in a State contract.	CPO
3.2	CPO determines an exemption request to the EEC does not meet the statutory requirements and advises the university it may not contract with the potential vendor or subcontractor. The SPO and PPB are cc:d on the communication.	CPO
3.3	CPO determines an exemption request meets the statutory requirements and advises the university it will request an exemption hearing from the EEC. The SPO and PPB are cc:d on the communication.	CPO
4.	EEC Hearing	
4.1	CPO files written request with EEC to exempt named individuals from the prohibitions of Section 50-13. The request must describe in detail the nature of the conflict and the reason or reasons why the individual should be exempted from Section 50-13 of the Procurement Code. The university, SPO and PPB are cc:d on the communication.	CPO
4.2	The EEC appoints a Hearing Officer to conduct the public hearing. The EEC Hearing Officer schedules the hearing no later than 30 calendar days after the CPO's written request, but provides at least 14 calendar days' notice of the hearing to its website and outside of hearing room. The hearing notice includes the date, time and location of the hearing and advises that the hearing is open to the public. Anyone wishing to present written or oral comment may notify the EEC Hearing Officer of their	EEC

	request to offer testimony.	
4.3	CPO/SPO publishes Notice of Hearing, including the date, time, and location of the hearing in the Procurement Bulletin at least 14 calendar days in advance of the hearing. The hearing notice advises that the hearing is open to the public and anyone wishing to present written or oral comment may notify the EEC Hearing Officer of their request to offer testimony. Notice of the hearing must also be provided to the individual subject to the exemption request and to the PPB.	CPO/SPO
4.4	<p>EEC Hearing Officer hears testimony of whether the public interest in permitting the person in the service of the State having an interest in a state contract outweighs the public policy evidenced in Section 50-13 of the Procurement Code.</p> <p>The EEC Hearing Officer may request information relevant to whether the exemption request is supported by the facts, whether the facts trigger the conflict of interest provision of Section 50-13, whether the individual had involvement in the procurement or other procurements at the university, confirmation of the individual's salary and beneficial interest in the vendor, a description of the procurement method and process and whether the selection of the proposed vendor was competitive, the impact upon the university should the procurement be unable to proceed, and any explanation of the individual's involvement in the preparation of the vendor's bid or offer. The EEC Hearing Officer may request any additional information that may be helpful to reaching a determination.</p>	EEC
4.5	Within 60 days of the public hearing, the EEC releases a decision that grants or denies the exemption. The decision must include a statement setting forth the name of the individual and all pertinent facts that make Section 50-13 applicable, the reason for the exemption if granted, and a statement that the individual is exempted from Section 50-13 as it relates to the specific procurement. EEC provides a copy of the decision to the CPO, with a cc: to the university, SPO, and PPB.	EEC
4.6	EEC publishes its decision to its website.	EEC
4.7	CPO/SPO publishes EEC decision to the Procurement Bulletin.	CPO/SPO
4.8	If an exemption is granted, it must be filed with the Secretary of State and the Comptroller prior to execution of the contract in order to be effective. If the contract is executed before the exemption is filed, the contract is voidable and the exemption is no longer effective to remove the prohibitions in 50-13.	CPO/SPO

Exemptions

The appropriate chief procurement officer may file a request with the Executive Ethics Commission to exempt named individuals from the prohibitions of Section 50-13 when, in his or her judgment, the public interest in having the individual in the service of the State outweighs the public policy evidenced in that Section. The Executive Ethics Commission may grant an exemption after a public hearing at which any person may present testimony. The chief procurement officer shall publish notice of the date, time, and location of the hearing in the online electronic Bulletin at least 14 calendar days prior to the hearing and provide notice to the individual subject to the waiver and the Procurement Policy Board.
